HOWARD WERNER: *Raw Grain*

PHILADELPHIA - Wexler Gallery is pleased to present **Howard Werner: *Raw Grain***, a solo exhibition featuring work by wood sculptor Howard Werner. The show will run from December 5th through February 28th, 2015.

Raw Grain will feature a cross-section of past and current furniture by Howard Werner. Inspired by Classical forms from Greece and Italy as well as primitive woodworking techniques, forms, and joinery, a selection of seating and tables made of ash, eucalyptus, maple, oak and pine wood.

Fascinated by the notion of challenging the traditional labels that categorize art, Wexler Gallery exhibits work that can coexist in the worlds of design, fine art, decorative art and craft. By questioning and challenging the boundaries of these fields, we aim to present functional and non-functional work that consistently celebrates innovation. Unified by a commitment to excellent craftsmanship and true dedication to their art, we are proud to showcase some of the world's most esteemed artists working in their areas of pursuit.
